Activity # 1 Wassily Kandinsky inspired Tree

Materials:

- Tree shape
- construction paper
- circles--different sizes that will fit on tree
- markers or crayons
- glue

Instructions:

1. You can make any kind of tree pattern
2. Make grass with marker or crayons (you can use construction paper)
3. Cut out circle shapes-different sizes
4. Start with a large circle, add two or three small circles to glue on top each other
5. Place the circle stack on the tree
6. optional: have each family member make a circle stack

Activity # 2

Kandinsky Inspired Art

Snail

Materials:

- construction paper
- watercolor
- snail body
- glue

Instructions:

1. paint a Kandinsky circle using watercolors (use about an 5 x 5' square paper or cardstock)
2. start in the middle and make a color circle
3. then make a color circle around that circle
4. continue to the end
5. let dry
6. cut out snail body and watercolor
7. let dry
8. Cut out a circle shape from the snail shell
9. Glue the snail shell to the snail body

Activity # 3
Kandinsky Inspired
Circle Art

Materials:

- construction paper--assorted colors
- 4 x 4 squares
- scissors
- glue

Instructions:

1. cut out nine 4 x 4 squares of construction paper
2. cut out different sizes of circles from the construction paper
3. glue several circles to each of the squares (make sure that each circle fits inside a circle)
4. do this to all nine squares
5. you can tape the square together or you can move them around to make a different pattern
